Subject: Backorder Notification - PrCORTEF* (Hydrocortisone) Tablets, 10 mg

Dear Pharmacist,

Pfizer Canada wishes to provide an important update regarding the supply status for **PrCORTEF* (Hydrocortisone) Tablets, 10 mg**.

Please be advised that we are currently on backorder for **CORTEF in the 10 mg format**. At this time, we anticipate our next replenishment to occur in mid-January 2021.

Additionally, all remaining inventory now resides in the distribution network. Please contact your preferred wholesaler / distributor to confirm product availability.

Given the criticality of this product, we are strongly recommending that pharmacists make every effort to reserve supplies for patients who have an immediate need for this product.

We would like to assure you that we are doing our utmost to resolve the situation and regret any inconvenience that it may cause.

Please refer to the table below for additional information pertaining to the affected product format.

DIN	CODE	PRODUCT NAME	DESCRIPTION	FORMAT	UPC	SUPPLY STATUS
00030910	01309	CORTEF (Hydrocortisone)	Tablet, 10 mg	Bottle, 100	621745 013096	Currently on backorder * – Next replenishment estimated to occur in mid-January 2021
* Please contact your regular wholesaler / distributor to confirm product availability at your local distribution center.						

This information is reflected in our weekly **Product Availability Report (PAR)**. For the latest updates, please refer to our PAR on www.pfizerhospital.ca.

For all inquiries including, medical information, allocations and general information related to this product please contact 1-800-387-4974.

Sincerely,

Denis Tremblay
